

## Catholic Alumni Partnership Update:

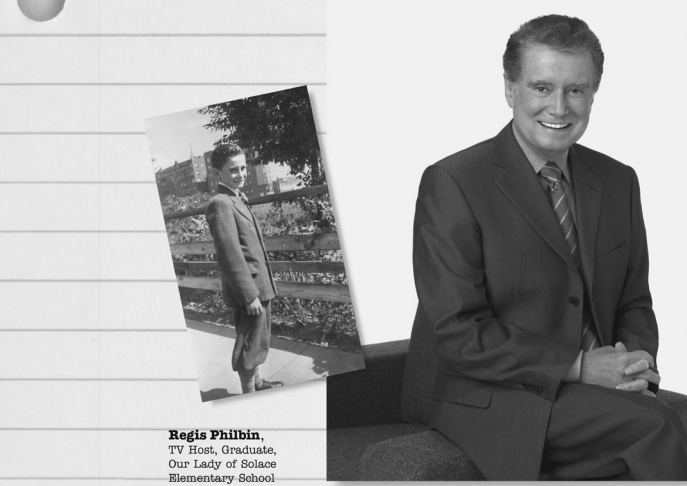

- More than \$100,000 raised, with 53 WNY schools benefiting, including more than \$10,000 for the *Making a Difference Fund*.
- 7,200 responses to our invitation to reconnect with elementary school communities. This unusually high response rate speaks to the high value Western New York Catholic school alumni place on their faith-based education.
- More than 2,500 alumni are staying in touch through e-mail newsletters from CAP
- Facebook pages now highlight individual schools and give alumni a place to reconnect online
- CAP has been featured in the *New York Times*, *USA Today*, *The Buffalo News*, *Western New York Catholic* and on WBFO, the national Public Radio affiliate in Buffalo

Elementary School

the answer  
is elementary.

If you want to know what made me who I am, look no further than the Catholic elementary school system. It's the same place where today, our children achieve the academic excellence that will allow them to excel and continue to make this country great. Today, these elementary schools are under serious financial pressure. Recently, my school and others have closed. But there's a simple way to help.

Go online to [clickYES.com](http://clickYES.com) and click YES to add your name and support to the growing list of advocates and alumni intent on preserving Catholic elementary education.

Together, we can create a new future for the schools that helped us realize our own.
